Hi Ann,

Our best estimate is that we received 253 communications during the shutdown. Here is the breakdown:

- 216 FOIA requests were received for RD-F or reference units (165 were EPWIS)
- 37 requests were received and either forwarded to NDC for response or were responded to by RD-F, but not logged in as FOIAs (requests for general information, status updates, or duplicate or incomplete FOIA requests)

Please let me know if you need anything else.

Rebecca
